You can register as a Provisional AusREP while you obtain  
20 CECs of continuing education over three months.  
Fitness Australia will help to get you up to speed quickly\*.

\*Fitness Australia will help you get up to speed quickly by giving you access to:

- ▶ complimentary CECs on our online platform worth 11 CECs,
- ▶ links to four journal articles to read worth 4 CECs, and
- ▶ recognise your CPR and First Aid certificates that amount to 4 CECs.

You have up to 3 months to obtain these 20 CECs, and will be eligible for insurance whilst you complete your CECs. Once your 20 CECs are done, you'll be an AusREP on the official Australian Register of Exercise Professionals. You can also choose other methods of obtaining CECs at your own discretion if you choose to.

# Price is indicative of the COVID-19 Relief Package available until 30 June 2020.
